

Soul Collage Resources

The main website for SoulCollage has links to facilitator trainings, information about Seena, and videos introducing the viewer to SoulCollage. Look here for comprehensive information about SoulCollage. www.soulcollage.com

The resources link through the main website lists a variety of populations that SoulCollage can and has been used with. It's a work in progress, but many links are up and running, pointing you to additional resources. <http://www.soulcollage.com/resources>

At Kaleidosoul.com you can find a worldwide membership community of SoulCollage artists. You'll also find links to blogs, supply sites, and a subscription to a weekly soul collage newsletter, "Soul Treasures".
